4. At 8 a.m., on January 11, 1996, the  
lands described in paragraphs 2 and 3  
will be opened to the operation of the  
public land laws generally, subject to  
valid existing rights, the provisions of  
existing withdrawals, other segregations  
of record, and the requirements of

applicable law. All valid applications  
received at or prior to 8 a.m. on January  
11, 1996, shall be considered as

in the order of filing.

5. At 8:00 a.m., on January 11, 1996,  
in the lands described in paragraph 2

existing withdrawals, other segregations  
of record, and the requirements of  
applicable law. Appropriation of any of  
the lands described in paragraph 2

United States. Acts required to establish  
a location and to initiate a right of  
possession are governed by State law  
where not in conflict with Federal law.  
The Bureau of Land Management will  
not intervene in disputes between rival  
locators over possessory rights since  
Congress has provided for such  
determinations in local courts.

6. The purpose of this exchange was  
to acquire non-federal lands that have  
high values for wildlife, livestock  
grazing, and recreational use. This  
exchange created a more logical and

will better serve the public's interest.

## DEPARTMENT OF JUSTICE

### Drug Enforcement Administration

[Docket No. 94-6]

### Marta I. Blesa, M.D., Continuation of Registration

On October 14, 1993, the Deputy Assistant Administrator, Office of Diversion Control, Drug Enforcement Administration (DEA), issued an Order to Show Cause to Marta I. Blesa, M.D., (Respondent) of Temple City, California, notifying her of an opportunity to show cause as to why DEA should not revoke her DEA Certificate of Registration, AB8787799, and should not deny any pending application for renewal of her registration, under 21 U.S.C. 823(f) and 824(a)(4), as being inconsistent with the public interest. Specifically, the Order to Show Cause alleged that: (1) On at least five occasions in February and March 1991, the Respondent provided prescriptions for controlled substances to undercover agents without a legitimate medical purpose and not in the usual course of professional treatment; and (2) on March 13, 1992, in the Superior Court of California, County of Los Angeles, the Respondent pled *nolo contendere* to, and was convicted of, three felony counts of willfully and unlawfully issuing a prescription for a controlled substance without a legitimate medical need and not in the usual course of professional treatment in violation of California Health and Safety Code Section 11153. On November 4, 1993, the Respondent, through counsel, filed a timely request for a hearing, and following prehearing procedures, a hearing was held in Los
